

### Why choose Fine Art & Photography A Level?

If you have an interest in and natural aptitude for art or photography, Fine Art & Photography A Level may be for you. It can help provide you with the tools to develop your own artistic and creative practice.

### What will I study?

You will develop fine art (paint and print) or photography skills using a variety of media, processes and techniques as well as gaining knowledge of historical and contemporary painters, photographers, styles and genres.

### What career and university options can it lead to?

A number of students carry on to art schools to take Art & Design Foundation courses. Careers in the worlds of graphic design, advertising, fashion, illustration and film special effects are just a few possibilities.
