

# SEND Information Report 2023/2024

Sir John Talbot's school  
Part of the Marches Academy Trust

## AIMS

Our SEND Information Report aims to:

- set out how our school will support and make provision for children and young people (CYP) with special educational needs and disabilities (SEND)
- explain the roles and responsibilities of everyone involved in providing for CYP with SEND

Sir John Talbot's School is situated in the heart of Whitchurch and is a well-established, highly successful 11-18 secondary school with approximately 800 CYP. Our mission is to enable CYP to be successful, creative, lifelong learners participating in a journey of self-discovery through the vision of 'Achievement through caring'.

Sir John Talbot's School is a vibrant learning community, comprising of a supportive parent body, caring and forward-looking staff, energetic and thoughtful CYP, a proactive governing body and an ever-developing cross section of community partners. CYP are placed firmly at the centre of all we do; we pride ourselves on offering a wealth of opportunities allowing all in the learning community to experience success in many ways and at a variety of levels. Our challenge therefore is to constantly seek out new ways to innovate from within the classroom and outside it, as we believe firmly in the need to keep moving forward, so that our young people have the best possible experiences and life opportunities.

We believe successful creative lifelong learners participate in a journey of self-discovery. They know how to learn, acquire skills, and feel safe to take risks with confidence and courage.

## LEGISLATION AND GUIDANCE

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for CYP with SEN and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for Education, Health, and Care (EHCP) Plans, SEND Coordinators (SENDCos) and the SEND Information Report

## WHAT IS A SPECIAL EDUCATIONAL NEED AND DISABILITY (SEND)?

A CYP has SEND where their learning difficulty or disability calls for special educational provision. They have a learning difficulty or disability if they have:

- a significantly greater difficulty in learning than most others of the same age, or
- a disability which prevents or hinders them from making use of facilities of a kind provided for others of the same age in mainstream schools.

This means provision that is different from or additional to that normally available to CYP of the same age.

## WHAT KINDS OF SEN ARE PROVIDED FOR AT SJT?

The Special Educational Needs and Disability Code of Practice 0-25 Years (2015) identifies CYP's SEND in four broad areas of need:

We provide support for CYP with needs within all four broad areas of need at SJT within the mainstream school.

## THE HUB (SPECIALIST PROVISION)

The Hub is a specialist provision situated on the site of Sir John Talbot's School. The focus of this provision is for CYP with an Education, Health and Care Plan (EHCP), who have a special educational need in Communication and Interaction (Autistic Spectrum Condition) as their main area of difficulty with some additional Social, Emotional and Mental Health needs.

The vision of the Hub is to enable CYP who otherwise would not be able to access mainstream school, to gain a personalised education in a supportive, caring, and safe environment. Alongside teaching the curriculum, staff will provide opportunities for 1:1 specialist support, small group work, social skills intervention, and emotional support. We endeavour to provide an inclusive experience for all CYP, and this facility aims to bridge the gap between specialist and mainstream school, transitioning CYP into the wider areas of the school as well as the Hub.

Such interventions and support provide the holistic approach that will enable CYP to achieve their full potential.

*The Hub provision is a bespoke facility that is applied for through the Local Authority rather than the usual school's admissions process. Places are allocated on need and availability.*

## WHO CAN I TALK TO ABOUT MY CYP'S DIFFICULTIES WITH LEARNING/SPECIAL EDUCATIONAL NEEDS OR DISABILITY?

The Special Educational Needs and Disability Co-ordinator (SENDCo) for SJT is Mrs Katherine Edmonds.

Email: [Katherine.Edmonds@sjt.mmat.co.uk](mailto:Katherine.Edmonds@sjt.mmat.co.uk) Tel: 01948 660600

The school has a Deputy SENDCo Mrs Jane Barlow

Email: [SENCo@sjt.mmat.co.uk](mailto:SENCo@sjt.mmat.co.uk) Tel: 01948 660 600

They are responsible for:

- working with the Headteacher and the SEND Governor to determine the strategic development of the SEND Policy and provision in the school.
- having day-to-day responsibility for the operation of this SEND Policy and the coordination of specific provision made to support individual CYP with SEND needs, including those who have Education Health and Care Plans (EHCPs).
- ensuring the SEND Code of Practice 2015 is implemented in line with the school's SEND Development Plan.
- ensuring that parents/carers are involved in supporting their CYP's learning, kept informed about the support their CYP is getting, and involved in reviewing how they are doing as part of the assess, plan, do, review process.
- liaising with all outside agencies who may be coming into school to help support a CYP's learning e.g., Speech and Language Therapy, Educational Psychology, etc.
- updating the school's SEND register (a system for ensuring all the needs of CYP with SEND in the school are known) and making sure that there are excellent records of your CYP's progress and needs.
- SEND CYP in the school achieve the best progress possible.
- evaluating, in conjunction with all relevant stakeholders, the effectiveness of the school's SEND provision.
- applying for additional support and funding where necessary for our most vulnerable CYP.
- coordinating Access Leaders ensure the best support is given to the CYP on the SEND register and those with Graduated Support Plans and Education, Health and Care Plans.

- advising on the graduated approach to providing SEND support and universal offer.
- advising on the deployment of the school's delegated budget and other resources to meet CYPs needs effectively.

Your CYP's teachers are responsible for:

- the progress and development of every CYP in their class.
- working closely with CYP support staff or specialist staff to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.
- working with the SENDCo to review each CYP progress and development and decide on any changes to provision.
- ensuring they follow the SEND Policy.
- differentiating appropriately and ensuring they provide quality first teaching as part of the universal offer.

The Headteacher, Mr Tim Stonall, is responsible for:

- the day-to-day management of all aspects of the school, this includes the support for CYP with SEND.
- giving responsibility to the SENDCo and class teachers but is still responsible for ensuring that your CYP's needs are met.
- making sure that the Governing Body is kept up to date about any issues in the school relating to SEND.
- supporting the school SENDCo in terms of budgeting the SEND provisions.

The SEND and Safeguarding Governor is Gareth Von Dinther and is responsible for:

- helping to raise awareness of SEND issues at Local Governing Board meetings.
- monitoring the quality and effectiveness of SEND provision within the school and update the Governing Board on this.
- working with the Headteacher, Head of School and SENDCo to determine the strategic development of the SEND
- policy and provision in the school.

## HOW CAN I LET THE SCHOOL KNOW I AM CONCERNED ABOUT MY CYP'S PROGRESS IN SCHOOL?

### First of all:

You should speak to your CYP's subject teacher. The class teacher will also pass on your concerns to the Key Stage Lead and SENDCo.

### What if I am still concerned?

You can make an appointment to meet with the SENDCo (this is done via the school office) or you can attend a SENDCo drop in session, these are usually on parents' evening.

### What if I am *still* concerned?

You could make an appointment to speak with the Headteacher or our SEND Governor.

## HOW WILL THE SCHOOL LET ME KNOW IF THEY HAVE ANY CONCERNS ABOUT MY CYP'S LEARNING AND PROGRESS?

Potential additional needs and progress is monitored in the following ways:

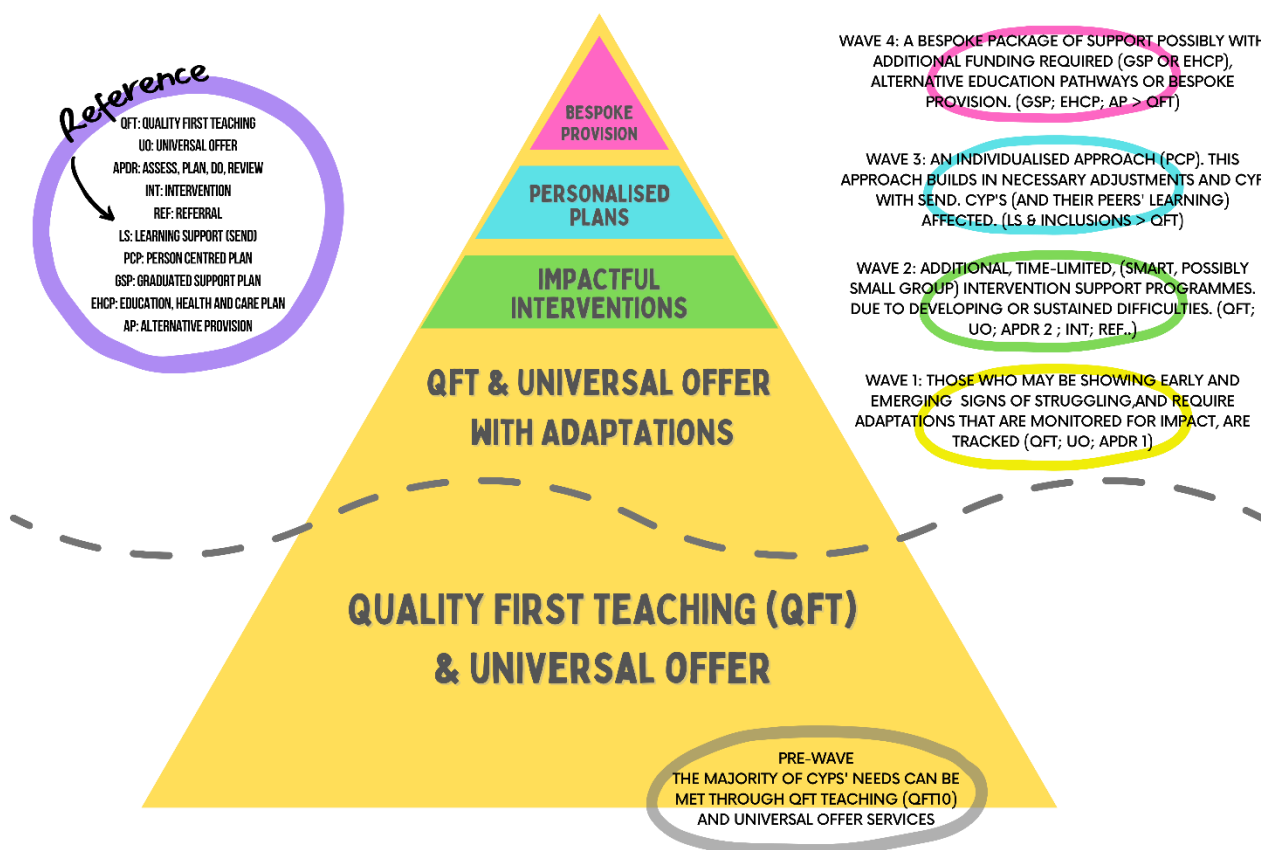

- information from previous school, parents/carers, CYP, and outside professionals will be used to identify specific learning needs.
- CYP entering the school in Year 7 will be screened for literacy levels through baseline assessments.
- mid-year transfers – CYP will arrive with school data and will be screened for literacy levels through baseline assessments.
- all CYP undergo ongoing assessment through their subject teacher and the whole school termly monitoring process. Under performance is identified by Faculty Directors, teachers and through Raising Achievement Meetings.
- school will assess internally (and, if necessary) with the support of external agencies, when parents/carers raise concerns regarding their CYP's learning and/or social and emotional wellbeing.
- staff will actively employ intervention strategies within the classroom ensuring 'quality first teaching' to aim to support the vast number of CYP.
- school works closely/liaises as necessary with any external agencies involved with our CYP.

- CYP progress is reviewed termly by Faculty Directors, Progress Leaders and teachers. Tracking, as part of the assess, plan, do, review process through Person Centred Plans (PCP) and Pupil Monitoring Plans (PMP). These are co-produced with parent/carer, school staff and CYP and reviewed termly.

If it is felt that your CYP would benefit from being on the SEND Register, the school will set up a meeting with you to discuss this in further detail and to:

- listen to any concerns you may also have.
- plan any additional support for your CYP.
- discuss with you any referrals to outside professionals to support your CYP's learning.

## WHAT ARE THE DIFFERENT TYPES OF SUPPORT AVAILABLE FOR CYP WITH SEND AT SJT?

Support is provided along a graduated pathway at SJT whereby most CYP needs are met through the universal offer, including quality first teaching.

Where a CYP's needs are greater than the universal offer, an assessment of need will identify the appropriate next steps to support the CYP to a provision that meets their need: specific, low-level intervention, high-level intervention, or an extensive provision, possibly with additional funding required, via a bespoke provision offer Graduated Support Plan or Education, Health and Care Plan.

Further examples of the kinds of provision and support available at SJT can be found in the SJT Provision Map at the end of the SEND Information Report. The diagram outlines the graduated pathway and support at SJT.

**Targeted classroom teaching by Subject Teachers (also known as Quality First Teaching)**

For your CYP this will mean that:

- the teacher has the highest possible expectations for your CYP and for all CYP in their class.
- all teaching is based on building on what your CYP already knows, can do and can understand.
- different ways of teaching are in place so that your CYP is fully involved in their learning. This may involve things like using more practical and visual resources.
- specific strategies (which may have been suggested by the SENDCo or outside agencies) are in place to support your CYP to learn. This may be outlined through a Pupil Monitoring Passport.
- your CYP's teacher will continually check your CYP's progress and differentiated activities will be in place to address gaps in learning in order to help your CYP make the best possible progress. This may be completed via a Pupil Monitoring Passport which is reviewed termly.

All CYP receive this as part of excellent classroom practice.

**Specific group work or curriculum support with a smaller group of CYP (Intervention Groups)**

Intervention Groups: provide targeted, short term support to address a particular area of learning such as reading, spelling, handwriting/tying tutor emotional regulation or social skills for example. This could also include subject based revision or catch up support,

- may be led inside the classroom or in a different room.
- may be led by a teacher or a teaching assistant who has had the appropriate training to lead the group.

Support through Intervention Groups is available to all CYP, as appropriate, who have been identified as needing some extra support in order to help them make good progress. This will include CYP on the SEND Register, as appropriate to their individual needs.

These CYP will have a pupil monitoring passport which outlines support, interventions and provision and is reviewed termly.

**Specialist support by an outside agency**

CYP on the SEND Register in the category of School Support may also receive support from a member of staff from an outside agency e.g. Speech and Language Therapy (SALT), Sensory Inclusion Service (hearing and visual needs).

For your CYP this will mean:

- your CYP will have been identified by Teachers/SENDCo (or you will have raised your concerns) as needing more specialist support instead of, or in addition to, Quality First Teaching and intervention groups.
- you will be asked for your permission for the school to refer your CYP to the appropriate agency.
- an appropriate professional will work with your CYP to understand their needs and make recommendations to school staff - this advice may be about particular teaching strategies or specialist resources that would benefit your CYP.

This type of support is available for CYP with specific barriers to learning that cannot be overcome through Quality First Teaching and intervention groups.

**Specified bespoke support**

This is usually provided by a **Graduated Support Plan or Education, Health and Care Plan (EHCP)**. This means your CYP will have been identified as needing a very high level of support to access the curriculum, which cannot be provided from the budget available to the school. Usually your CYP will also need specialist support from professionals outside the school e.g. Speech and Language Therapy (SALT), the ASD Outreach Team (Spectra), Learning Support Advisory Teacher (LSAT), Sensory Inclusion Service (hearing and visual difficulties), Educational Psychology, etc.

For your CYP this will mean:

- the GSP/EHCP will outline the level of support your CYP will receive, how support should be used and what strategies must be put in place.
- the GSP/ EHCP will set out long and short term goals for your CYP.
- the EHCP will be reviewed annually.

This type of support is only available to CYP whose learning needs are severe, complex and, in some cases, lifelong.

## IF MY CYP REQUIRES AN EHCP, HOW DO I GET THIS FOR MY CYP?

Following intervention from the school, and outside agencies, it may be felt that your CYP's needs are particularly complex and cannot be addressed from the budget available to the school. School (or you as a parent/carer) may wish to request that the Local Authority (LA) conduct a statutory assessment of your CYP's needs. This is a legal process which sets out the amount of support that will be provided for your CYP.

For your CYP this will mean:

You and/or the school will complete a request for statutory assessment which will provide the LA with information about your CYP such as attainment levels, strategies and resources that have been used in school, areas of difficulty, external professionals' advice, and attendance.

The LA will then decide if your CYP's needs seem complex enough to require a statutory assessment. If this is the case, they will then ask you and all professionals involved with your CYP to draft a report outlining your CYP's needs. If they do not think your CYP needs a statutory assessment, they will ask the school to continue with SEND Support.

After the reports have all been received by the LA they will decide if your CYP's needs are severe, complex, and lifelong and if additional support is required to enable your CYP to make good progress. If this is the case they will write an Education, Health and Care Plan (EHCP). If this is not the case, they will ask the school to continue with SEND support.

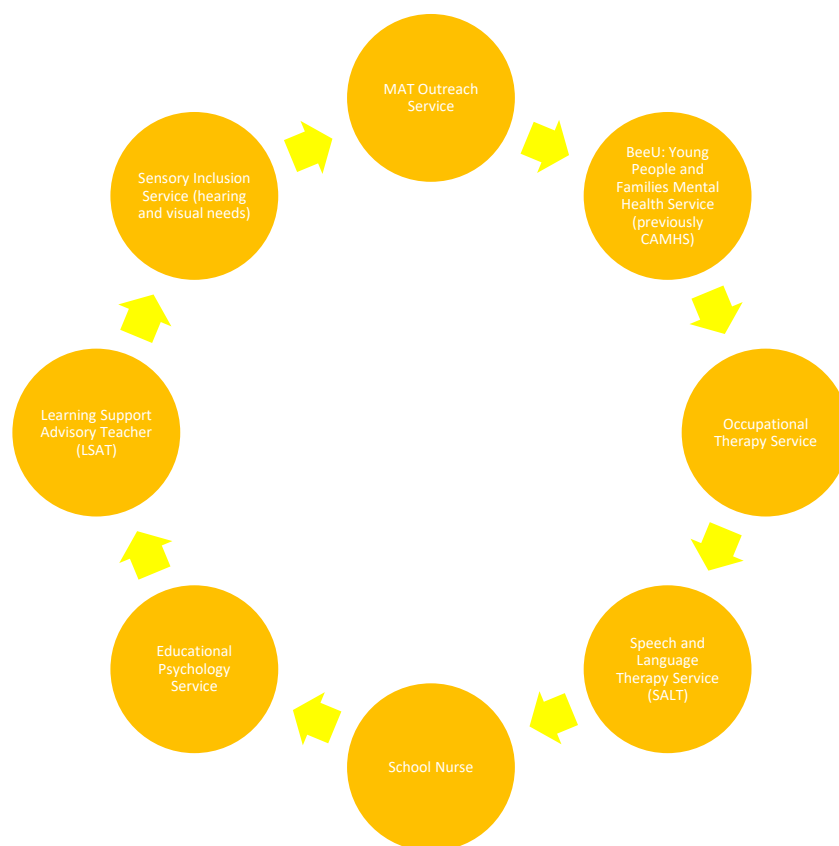

The EHCP will outline the band of support your child will receive from the LA and how the support should be used and what strategies must be put in place to help your CYP meet long and short-term goals. This support may be used to support your CYP with whole class learning, run individual programmes or run small group interventions to include your CYP.

## HOW IS EXTRA SUPPORT ALLOCATED TO CYP AND HOW DO THEY MOVE BETWEEN THE DIFFERENT LEVELS?

- The school budget includes money for supporting CYP with SEND.
- The Headteacher decides on the budget for SEND in consultation with the School Governors and SENDCo, considering the CYP already receiving support, the CYP needing extra support and the CYP who have been identified as not making as much progress as would be expected.
- If appropriate, CYP may also be part of targeted intervention groups to address needs.
- All resources and support are reviewed regularly, and changes made as needed.

## WHO ARE THE OTHER PEOPLE PROVIDING SERVICES TO CYP WITH SEND AT SJT?

## WHAT TRAINING DO STAFF HAVE TO HELP THEM MEET THE NEEDS OF CYP WITH SEND?

- The SENDCo supports teachers in planning for CYP with SEND.
- SJT has a training plan for all staff to improve teaching and learning for all CYP and this includes whole school training on SEND issues such as Hearing Impairment, ASD, speech and language difficulties etc.
- Individual members of staff also attend training courses run by outside agencies that are relevant to the needs of specific CYP in their class.

## HOW WILL TEACHING BE ADAPTED FOR MY CYP WITH SEND?

- Subject teachers plan lessons considering the needs of all CYP in their class, including those with SEND.
- Specially trained access leaders can adapt the teacher's planning further to meet the needs of individual CYP, if needed.
- Your CYP may also be part of an intervention group to target a particular area of learning i.e., reading or handwriting.
- If appropriate, resources may be provided to help your CYP's learning i.e., access to a laptop to record work, pencil grips, fidget toy.
- Planning and teaching will be adapted daily if needed to meet your CYP's learning needs.

## HOW DO WE EVALUATE THE EFFECTIVENESS OF THE PROVISION MADE FOR CYP WITH SEND?

- All CYP, including CYP with SEND, have their progress and attainment tracked throughout the year. Currently there are three main dates throughout the year where data is collected.
- CYP progress meetings are held regularly throughout the year to identify CYP including those with SEND that are not making expected progress and the support being put in place for these CYP.
- Regular meetings with staff, parents/carers and CYP ensure that interventions and additional support have the desired impact on CYP progress, attainment, and personal development.
- The SEND Department is part of the whole school Raising Standards Review Process.

## HOW ARE CYP WITH SEND FACILITATED TO ENGAGE IN ACTIVITIES AVAILABLE WITH CYP IN THE SCHOOL WHO DO NOT HAVE SEND?

- We ensure that all CYP have equal opportunities.
- All our CYP are encouraged to join in a large range of extra-curricular activities.
- We ensure that our school environment is adjusted and adapted to meet the specific needs of any individual CYP.

## HOW DO WE SUPPORT THE EMOTIONAL AND SOCIAL DEVELOPMENT OF OUR CYP WITH SEND?

The wellbeing of all our CYP is paramount. The SEND Department collaborates closely with the Pastoral team to meet the social and emotional needs of all CYP, including those with SEND. This can include:

- CYP having access to a CYP Support Mentors, Shropshire Youth Services and Public Health Nursing Services, and various intervention programmes including ELSA (Emotional Literacy Support Assistant). We currently have 2 trained ELSAs in school Mrs Gray and Mrs Barlow.
- The Learning Zone provides support for CYP who may not be able to access mainstream lessons on a short-term basis due to additional needs or to support emotional and physical wellbeing.
- Alternative Provision for CYP who need additional support.
- CYP Services, our pastoral team, provides support for CYP with SEMH needs throughout the day. This can include support and break, lunch, and social times
- CYP are made aware of key safeguarding staff.

## HOW WILL WE MEASURE THE PROGRESS OF YOUR CYP IN SCHOOL?

- Subject teachers will assess academic progress termly. Progress will be monitored by subject teachers, Curriculum Directors, Progress Leaders and the SENDCo.
- CYP with SEND have a Pupil Centred Plan (PCP) or Pupil Monitoring Passport (PMP) which will be reviewed with you and the CYP each term.
- CYP PCPs, PMPs and assessment data are monitored by the SENDCo each term to ensure learning approaches are appropriate and CYP with SEND are making progress.
- If your CYP has an EHCP, this will be formally reviewed with you at an Annual Review with all adults involved in your CYP's education.

## HOW IS SJT ACCESSIBLE TO CYP WITH SEND?

All CYP with and without SEND have a wide range of opportunities they can engage in via the curriculum, through after school activities and residential visits. Activities are available to all CYP and if necessary reasonable adjustments to itineraries or activities can be made (in discussion with either the CYP directly and/or the parents/carers) as required.

We encourage all CYP to work together, recognising the individual strengths of each other and understanding that they need to work collaboratively to help and support each other. Additional measures based on areas of need:

- adjustment to teaching styles
- adjustments to materials for example, colour of paper, font size
- additional resources or supportive equipment as needed

SJT is mainly on one level, with ramps where necessary, which ensures it is accessible to all CYP. Lifts are available for wheelchair access and other disabilities. Personal Emergency Evacuation Plan (PEEP) and Risk Assessments are completed for CYP as needed.

## HOW DO WE WORK TOGETHER WITH CYP WITH SEND?

We value the opinion of all our CYP and allow regular opportunities for CYP to discuss their learning and support. This can include:

- feedback from CYP in all SEND review meetings
- CYP Voice is central in the development PCPs and PMPs.
- access to the Student Services
- use of key workers/Access Leaders where appropriate
- various intervention programmes and support available
- Pastoral mentor reviews and mentoring meetings
- CYP's views are sought on their progress prior to an Annual Reviews
- CYP's views are sought regarding referrals to external agencies where practicable
- CYP are invited to join all SEND reviews
- CYP are spoken to directly if parents/carers have expressed concerns/difficulties regarding either learning or social development

## WHAT EXPERTISE ARE AVAILABLE WITHIN OUR SCHOOL?

Time is provided for staff training to raise awareness of practical ways to improve support for SEN CYP facing barriers to learning. Training is provided in-house, utilising, and sharing our own areas of expertise and good practice within the classroom and externally through external agencies, the Local Authority and through online training.

## HOW WILL WE SUPPORT YOUR CYP WHEN THEY MOVE TO ANOTHER CLASS IN OUR SCHOOL OR THEY LEAVE SJT?

We recognise that transitions can be difficult for all CYP and particularly CYP with SEND. We therefore take the following steps to ensure transition is as smooth as possible:

For year group transitions or transitions between subject teachers we make sure that PCPs (including learning styles, outside agencies involved, interests) and QFT teaching toolkits are available, so teachers know how to support your CYP. More bespoke support including moving up books and social stories can be put in place as needed.

If your CYP moves to another school, we will:

- contact the SENDCo at the new school and ensure they are aware of the support your CYP needs.
- ensure that all records about your CYP are passed on as soon as possible.

To support transition at key points. We endeavour to support CYP as needed.

For Primary to Secondary transition. This could include:

- arranging visits to the school prior to entry to support with transition
- meetings with primary school teachers/SENDCo/external agencies where appropriate to gather information
- meetings with parent/carers to reassure and discuss specific needs
- providing photographs/virtual tour of the school
- identifying where the CYP may feel anxious
- adjusting groups to ensure friendships can be maintained
- providing an agreed buddy
- specific and relevant information and guidance available to all teaching staff

For Post 16 transition this could include:

- sharing information with sixth form, college, or other settings the CYP is moving to. We will agree with parents/carers and CYP's which information will be shared as part of this.
- Careers Advisor support in school
- arranging additional visits to college as needed
- CIAG information and opportunities provided through CareersFest and STEMFest
- discussions with CYP during EHCP annual reviews
