

Dear Families,

Year 6 to Year 7 Transition Days

Our new Year 7 cohort joined us for a three day transition this week. They met their new tutors, enjoyed several lessons and experienced the feel of what a school day at SJT is like. Over the three days, we ran an SJT WAY competition, where the students could earn tickets for showing and living the values of our school, these will be counted, and winners announced before the end of term. Students from our current Year 7 were acted as ambassadors and mentors over the three days and were fantastic role models. They were an amazing cohort, and we can't wait to see them all wearing our grey jumpers in September and fully belonging to our SJT family.

Work Experience

We are thrilled to share the success of our Year 10 and Year 12 students' one-week work experience. They demonstrated enthusiasm, professionalism and dedication, earning high praise from employers for their eagerness to learn and contribute. We are proud of how well our students represented our school community and would like to thank all employers for providing our students with this opportunity.

Sixth Form Induction Days

This week, current and new Year 11 students attending our Sixth Form in September joined us for a two day induction. Students experienced taster lessons for their chosen subjects, team building challenges as part of our collaboration with The Grove School and a talk on Higher Education provided by Wrexham University. We are so excited for our new cohort to join us in September and have provided them with some summer work to support their journey from GCSE to A Level!

We look forward to seeing our new Year 12 students in September!

DofE Bronze Qualifying Expedition

Our Year 9 Bronze DofE Award students participated in their qualifying expedition over the weekend. Walking around 20km in the Stiperstones and Long Mynd area of South Shropshire. Throughout the expedition, we saw teams learning to work together, resolving issues and helping each other. We also saw individuals digging deep, being resilient and finding that personal determination to meet the challenges which they faced. Excellent effort everyone!

Mock Elections

SJT students had the opportunity to vote in our mock election during school on Thursday. The vote was organised and counted by our Y10 and Y12 work experience students. It was great to see students so enthusiastic about making their voices heard.

Sixth Form Induction Day

Work Experience

Birmingham University Classics

Fourteen Latin students enjoyed a day at Birmingham University learning about the Rosetta Stone, Bog Bodies, How the Roman Senate elected governors and Tricksters in myth. Afterwards they were given a quick tour of the University campus.

Student Support Week 35 Focus: Young People and Self-Harm

If a young person in your life is self-harming it can be distressing and confusing. It may be difficult to start a conversation with them. They might be doing it because they don't have the words to explain what they're experiencing. But it's important you know that you can support them. The following [NSPCC](#) advice is to support parents and carers who may have concerns about their child self-harming.

Our Pastoral and Safeguarding team are situated in Student Services. If a child has any concerns, they MUST report it to a member of staff who will ensure that it is directed to the correct person to deal with it.

Career of the Week – Judge

A judge is a person who presides over court proceedings, either alone or as a part of a panel of judges.
