Fax: 01952 383991

Email: freeschoolmeals@telford.gov.uk

Website: http://www.telford.gov.uk/info/20028/school_meals/9/free_school_meals

How does it work?

If you qualify your child will be able to have a healthy school meal everyday saving you more than £350 a year along with access to extra benefits such as financial help towards school trips, music tuition, uniform etc. It is important for the school to have a record of those families that are entitled to receive free school meals as this means we are able to access extra funding to help support our students. Please can we ask you to check if you qualify and then take the time to complete the form, even if you do not want to make use of the free lunch. It is very easy to register and it will not affect any other benefits you are claiming. At Sir John Talbot's, students receiving free meals have their funds loaded electronically to their account daily so they use the cashless system just like everyone else. The benefit is worth **£2.20** each day!

How do I apply?

- Registering is really quick and easy – if you think you qualify, you can apply on-line via the website shown above or you can collect an application form from school reception.
- Contact Miss S Downward if you would like any help to complete your application.

Yours sincerely

Miss S Downward
